HIGHLIGHTS

OUR BEER FROM THE HEART OF BERLIN

Tour of the brewery

Take a look behind the scenes and into the vats: on a tour of the brewery, our guide will show you the path beer takes from the brewhouse to bottling and explain everything about the brewing process. Afterwards, we will taste beers together. Duration: one or two hours. English tours are available, other languages on request. Maximum 20 people per group.

Sommerlied Stand

A sommelier stand is ideal for larger events. Here, our beer sommelier invites guests to enjoy a tasting at a small bar. Interested guests can sample a variety of beers. Our trained staff will explain the different types and styles of beer and answer any questions you and your guests may have about brewing in general, the history of Lemke and our beers in particular.

Guided Beer Tasting

Our beer sommelier will take you on a journey through the diverse flavours of the beer universe. You will taste five different Lemke beers and learn all about their style and production. The guided tasting lasts one hour and is suitable for groups of up to 30 people.

ADDITIONAL SERVICES

Completely worry-free — we work with professional partners and can organise (almost) everything!

For exclusive bookings, you are welcome to play your own music through our sound system. Would you prefer live music? We have a repertoire of musicians and DJs to suit every musical taste.

OFFERS & RATES

Do you like the 'Biermeisterei by Lemke'?

Great, we are happy to make you a concrete offer!

Ideally, you already know whether you would like to take advantage of one of our beer highlights (p. 12), beverage packages (p. 11) or other services. This is not a must, however; if in doubt, we can simply clarify this later.

And how much will it cost?

Are you a smaller group that would like to eat à la carte? You can find all current gross prices on our website at <https://biermeisterei.lemke.berlin/en/menu/>.

For exclusive events in the fireplace room (Kaminzimmer) or the entire restaurant, as well as for additional services, we always provide an individual quote.
